APPLICATION STATUS INQUIRIES

Please be advised that information regarding any application will only be discussed with the applicant. Information will not be released to spouses, parents, or employers. If you have a question regarding your application or correspondence received from Board staff, you will need to contact the Board. If your employer requires information regarding your application, the Board will need to have written permission from you to release that information.

CANDIDATES WITH DISABILITIES

In accordance with the provisions of the Americans with Disabilities Act, candidates who qualify for examination administrative modifications must notify the Arkansas State Board of Accountancy in writing of their requested accommodations. A form is available for this purpose and may be obtained by contacting the Board. Upon receipt of your request, it will be considered and you will be notified of the Board's decision. Documentation of a disability and/or previous accommodations must be attached to the exam application. Candidates must make a written request every time they apply for the examination and require special modifications. To ensure that you receive appropriate accommodations, make your written request as early as possible. Do not schedule your exam until your request has been approved by the Board. The Board will not pay any costs you may incur in obtaining the required diagnosis and recommendation.

NON-DISCLOSED EXAMINATION

The Certified Public Accountant Examination is a non-disclosed examination. This means that candidates cannot obtain copies of examination questions or of their own answer papers after the examination is administered. To protect the confidentiality of examination contents, candidates are required to acknowledge confidentiality statements at examination administrations in all locations.

COMPUTER BASED CPA EXAMINATION AUTHORIZATION TO RELEASE INFORMATION

In April 2004, the CPA Examination changed to a computer-based format. To accomplish this change in format, a national database of all CPA examination candidates was developed. The database is used to verify applicant eligibility and CPA exam testing schedules. The national candidate database includes information received from 54 jurisdictions, and is managed by the National Association of State Boards of Accountancy (NASBA).

Because of the high probability that there will be similar names, addresses and other identifying information on the national candidate database, it is critical to have information in the national candidate database that is unique to each candidate so that candidate records can be accurately identified to establish: Correct determination of candidate eligibility, credit to each exam candidate for payment of exam fees and credit for the correct exam sections taken and passed by each candidate. The following are examples of unique personal information - applicant's date of birth, mother's maiden name, social security number, etc. Applications to take the CPA Exam will not be processed unless sufficient candidate information to provide accurate identification is entered in the national candidate database.

NOTICE TO TEST

Once your eligibility to take the exam is determined, the Board will send an Authorization to Test (ATT) to the National Candidate Database (NCD) at National Association of State Boards of Accountancy (NASBA). NASBA will then issue a Notice to Schedule (NTS). The NTS is sent to applicants via e-mail. An eligible candidate has **6 months** from the date of the NTS, to **schedule and take** the approved examination sections. Utilizing the NTS, candidates are required to contact Prometric for site location(s) and test times. For a list of the Prometric Testing Centers in Arkansas, visit their web site at www.prometric.com. The Arkansas State Board of Accountancy does not control space availability or locale of the testing centers.

If a candidate requires rescheduling to take the CPA examination, the candidate must contact Prometric. Please be advised that Prometric may charge a fee to reschedule an appointment. (Refer to *Candidate Bulletin*.)

EXAMINATION SCORES AND GRADE RELEASE

The minimum passing grade for each section of the computer-based examination is 75. Candidates who pass a section will be granted credit for each section passed. Test scores will be mailed by the Board as soon as they are received, verified, and processed. Scores are also available from NASBA via a link from our web-site www.arkansas.gov/asbpa. You will need your section ID from the NTS to access your scores online. There are quality control standards that must be met at the Board's office before scores can be mailed. Please be advised that candidates in other jurisdictions may receive scores before Arkansas candidates. Candidates should not call NASBA or the AICPA regarding their score release. The Arkansas State Board of Public Accountancy is the only authority authorized to release scores to Arkansas candidates.

CREDIT FOR SUBJECTS AFTER COMPUTERIZATION OF THE CPA EXAMINATION

A candidate shall be required to pass all sections of the Certified Public Accountant Examination in order to qualify for a certificate. A candidate may take the required test sections individually and in any order. Credit for any test section(s) passed shall be valid for eighteen (18) months from the actual date the candidate took that test section, without having to attain a minimum score on any failed test section(s) and without regard to whether the candidate has taken other test sections, provided:

- a. Candidates must pass all four test sections of the CPA Examination within a rolling eighteen (18) month period, which begins on the date that the first test section(s) passed is taken;
- b. Candidates cannot retake or sign up for a failed test section(s) in the same examination window; and
- c. Candidates who **do not** pass all four sections of the CPA Examination within the rolling eighteen (18) month period shall lose credit for any test section(s) passed outside the eighteen (18) month period and that test section(s) must be retaken.

Candidates who will lose credit for a test section cannot sign up for that section before the expiration date.

Keep these instructions, Board Rules, the Accountancy Law, and a copy of your completed application for your records.

Please note: If your degree has been earned but will be conferred at a later date, you may have the Registrar's office send the ASBPA an official letter stating that you have earned the degree and it will be conferred at a later date. ITEMS TO TAKE TO THE EXAMINATION SITE

- **Notice to Schedule – Must be printed**

The second ID may include another government issued photo ID, an ID issued by the Board of Accountancy or a valid, unexpired bank ATM card or debit card. The names on both forms of ID must match the name entered on the application form.

If the test center staff has questions about the identification presented, you may be asked for additional proof of identity.
